Platon Youth Forum 2016 is open for application.

For details see <http://platon.vake.sbg.ac.at>;

Platon Youth Forum is fostering **the idea of European citizenship**. Young people from all European countries are invited to join this international summer camp. Several workshops are dealing with current topics and problems of European Union. The participants will elaborate and discuss solutions based on the principles of shared values and diversity of culture.

Target group: Young people interested in Europe and intercultural dialogue

Venue: Obertrum near Salzburg, Austria

Duration: July 24th – 30th, 2016

Deadline for application: June 15th, 2016
